**TO:** All Owners at the Hammocks Cape Haze  
**FROM:** The Preserve Board and the Villas Board  
**RE:** Leasing of Units  
**DATE:** May 20, 2022

As owners in the Hammocks Cape Haze, we all share a very beautiful space with many other owners, guests, and renters. Our goal as board members is to keep everyone in the community safe and to provide the information, they need to enjoy our community.

The ultimate responsibility for ensuring that the leasing process is followed belongs to the owner. If you choose to use a third party to lease your unit, you, as the owner, are still responsible for ensuring that the process is followed and responsible for any fines levied if the process is not followed. In an effort to eliminate issues in the future, the leasing documents included in the Declaration of Condominium, along with the outline and timeline for the process are included here. We recommend that you share this information with your rental agent if you use one to rent your unit. Also, remember that a unit cannot be rented for less than 1 month and no more than 6 times per year.

Owners who rent their units must understand that this process is in place to ensure that the residential nature of our community is maintained. We are not a lodging establishment, and our documents do not provide for the "immediate occupancy" of a unit. Applicants and leases must be approved by the Association prior to a tenant taking occupancy of any unit.

Please note that owners may be fined, and individuals will NOT be allowed to rent at the Hammocks if the proper paperwork is not submitted within the 30 day requirement outlined here.

The following is a general outline of our application and leasing process. Please note that if the applicant has rented here before, and their application is on file, and their information is current (per the office manager), you may skip to #2.

**Thirty (30) days prior to the start date of the lease:**

- All new applicants must submit a completed application including information for all occupants to the office manager for approval by the Association. If applicant(s) never rented here before he/she, as well as all adult occupants, must submit a background

check form along with a \$150 fee for each married couple or adult occupant. Each applicant and each adult occupant must attach a copy of their driver license or passport.

- Applicant(s) or adult occupants not from the United States must complete the International Background Check form along with a \$150 fee for each. Each applicant and each adult occupant must attach a copy of their driver license or passport.

**Two (2) weeks prior to the start date of the lease:**

- Submit a current/executed lease to the office manager for approval by the Association.
- A current lease must be submitted for approval each time you rent your unit even if it is the same renter. This applies to long-term rentals e.g. yearly, as well as seasonal rentals.
- The association may deny any lease.
- **The lease must contain the following wording:**

**“A covenant shall exist upon the part of each such tenant or occupant to abide by the Rules and Regulations of the Association and the terms and provisions of the Association’s Declaration of Condominium and Bylaws. The Landlord/Unit Owner designates the Association as the Landlord’s/Unit Owner’s agent for the purpose of and with the authority to terminate any such lease agreement in the event of violations by the tenant or occupant of such covenant.”**

To ensure the safety of our residents, guests, and tenants, we require background checks on all prospective owners and tenants to help us know who is living in our community. We also require all renters to check in at the office to obtain a Hammocks parking pass upon arrival. All overnight guests, including family and friends, are required to get guest passes from the office manager and display them in their vehicles during their visit. Other safety measures include camera surveillance in many areas around the community including cameras that record each vehicle that is coming and going. All of these measures help us know who is here at the Hammocks daily.

Please note that we have many repeat renters wishing to rent at the Hammocks. We encourage owners to use the Hammocks website to advertise their unit, both for lease and for purchase. This is a convenient way to possibly find a good match.

The office manager is available to help you through each of the steps necessary to insure your tenants’ application is approved 941-698-2989 or [debbie@myflmanager.com](mailto:debbie@myflmanager.com)

Let’s work together to make leasing easy for you and for your tenants.

To find all the information, forms, and steps needed to rent your unit follow this link to the **Leasing and Purchasing** tab on our website <http://www.hammockscapehazefl.com/leasing>

The leasing documents include *The Preserves and Villas Amended 2014 Declarations Article 12.5*, which specify the leasing requirements.

Violation of these requirements, can be found on pages 4 and 5 in the *Rules, Regulations, and Fines for Violations* document at <https://sites.google.com/site/hammocksatcapehaze/rules-1>
